REPUBLICANS ADMIT BRYAN AND STEVENSON ARE STRONG.

Among the Democrats of Sait Lake and the forces of reform who purpose to fight with them this year in the great battle against imperialism, trusts and the single gold standard, there was little but satisfaction expressed yesterday over the outcome of the Kansas and Steven City convention. Those who had secured all they desired in the nomination of Mr. Bryan and in the platform were willing to yield a point on the vice raised aganist Stevenson grew out of ite on the ticket. \*

The platform stirred up great enthusiasm in the Democratic ranks and the fact that Bryan would not yield an inch on the principles he held to be right, warmed the hearts of his followers and brought back some of the enthusiasm of '96. New Factory Will Start Operations Soon. (Special Correspondence.) Farmington, July 6.—John Manning of Hooper, president and manager of the Roy Stamping & Canning company, was in town on business today. tory.

The company has contracted for the growing of 400 acres of tomatoes. At a small average five tons an acre will be gathered, which will represent an outlay for the raw product of \$20,000, the price paid being \$10 a ton. Three-fourths of the tomatoes will be grown by members of the company, and they will thus reap a double profit.

Mr. Manning expects the tomato crop to be ready for the factory soon after Aug. 15. The putting up of various kinds of truit will be a branch of the new industry.
